

Sunrise Advisors cordially invites you to:

A Morning at Sunrise: “State of the Markets”

Tuesday, February 9th, 2016: 8:00-8:45 am (morning) OR 4:00-4:45 pm (afternoon)

Thursday, February 11th, 2016: 12:00-12:45pm (mid-day) OR 4:00-4:45pm (afternoon)

Topic: “State of the Markets”

In the past year, the global markets have been volatile. Please join us to recap the main drivers of these events, discuss our outlook moving forward, and dig deeper into our investment philosophy and portfolio allocation. Most importantly, we will answer your questions and explore how we plan to navigate these changes.

“A Morning at Sunrise” is our ongoing, educational series aimed at maintaining and enhancing financial awareness. We encourage you to bring family members, friends, and colleagues with you who may find this topic informative. Coffee and bagels will be served in the morning. Light snacks and refreshments will be available during the mid-day and afternoon sessions.
